OUR MISSION STATEMENT

For the Love of Jazz is a non-profit organization that cultivates a community appreciation of music through live jazz performances by local, regional, and national jazz artists. We also provide youth music education throughout Northern Nevada schools and University, encouraging jazz music as a vital creative art form.

FOR THE LOVE OF JAZZ

~ provides opportunities for music students through scholarships and financial support for performances.

OUR HISTORY

FTLOJ is a non-profit, tax exempt 501(c)3 Nevada corporation, formed in May of 1974 by a small group of jazz musicians and enthusiasts. The original members came together to develop opportunities to perform outside of the showroom big bands. The goal was to play original compositions and improvise together, quite literally "for the love of jazz"!

FTLOJ is governed by a Board of Directors drawn from the community. Board members serve 3 year terms and since all are volunteers, they receive no compensation.
